The Band's History

The main nucleus of KYX, Al Wodtke, Dan Grenier, Mike Rejsa, Jim Amundson and Jim Prepodnik have played together in multiple band configurations for over four decades. Each member has a long history with other bands in MN and national acts as well. To name a few, Badfinger, Dave Waggoner's Crow, Dick Tracy, The Bulldogs, Johnny Rey and the Reaction and Attaboy. Several members are also active studio musicians with numerous album credits.

The band played most of the clubs in the twin cities market and greater MN over the years but has become more geared to special event concert venues the past decade. Some of the venues played currently include First Ave, The Hook and Ladder, The Amsterdam Bar and Hall, Maple Grove Town Green Amphitheater, Sims Park Amphitheater and Covestock both in New Port Richey, FL and numerous outdoor special events.

We pride ourselves at striving to be a partner in all events by contributing to the marketing and engaging crowd interaction by supplying and distributing neon headbands, wristbands and beach balls when applicable.
